

TAZ-4H Add-A-Zone Panel

See how easy it is to install a system with more than 4 zones

Zoning just got simple for systems with 5-32 zones. Thanks to an intuitive installer setup featuring an easy-to-follow, digital display you can add additional zones to the HZ432 zone panel.

TAZ-4H Add-A-Zone Panel

The TAZ-4H is designed to simplify zoning expansion from 4 to up to 32 zones.

Contractor Highlights

- Flexible mounting options with mounting holes for return duct, wall, or stud.
- Easy wiring with Push terminals.
- Easy checkout with LCD and buttons.
- Easy troubleshooting with Checkout mode, zone lights, and contacts to measure voltage.
- Same profile as HZ432 for clean installation.
- Connections for tying wires for neat installation.
- Each zone has thermal fuse protection.
- Compatible with most 24 volt thermostats.
- Resideo makes a full line of Zoning products (Zone panels, zone dampers, bypass dampers, and thermostats).

Homeowner Highlights

- Comfort to all zones of the home.
- Quality products from trusted leader in zoning for over 25 years.
- Compatible with most 24 volt thermostats including WiFi models.
